The Runaway Jury

The last of our mysterious tales is another modern story called “The Runaway Jury”, set in the American legal system. A tobacco company is involved in a court case which could cost them millions, and during the trial people from both sides of the case try to convince the jury to take their side. One of the members of the jury, Nicolas Easter, is particularly interested in the case. But who is he? Why is he so involved in the trial? And whose side is he really on?

John Grisham, author of *The Runaway Jury*, was a lawyer before he became a writer, so he knows all about the legal system in the US and his crime novels have become best sellers around the world.
