Hi Jerry!

I didn't see you last night at the business dinner, where were you? I had a really great time. The food was excellent and after the meal a band played Spanish music – my favourite! The boss talked to us about plans for the company next year and he offered me a promotion! Then we played a game with prizes. I couldn't believe it but I won a DVD player! It was my lucky night! It was a shame not to see you there.

**Take care,
Fred**

Hi Fred,
Unfortunately, last night was not so lucky for me. I was on my way to the dinner when a driver passed a red light and hit my car from the side. Luckily, I was OK, but my car was not! The other driver didn't stop and no one else saw the accident, so I have to pay for all the car repairs myself. I waited one hour for my father to come and take me home. It rained non-stop and my suit got soaking wet. It was a terrible evening for me, and that's not all... the boss called me this morning and was angry that I missed the dinner!
See you later,
Jerry
