It's time to read ...

Choose the correct alternative :

The United Nations Environment Programme **a has calculated / calculated** that there are 3,000 pieces of plastic waste per square kilometer of the world's oceans. And all this garbage **b was killing / is killing** birds and sea creatures. Plastic waste **c has caused / caused** the death of a million seabirds and 100,000 sea mammals last year. **d For / Since** the past ten years, scientists have found more and more cigarette lighters and toothbrushes inside the stomachs of dead seabirds. Seabirds **e had eaten / eat** these things because they think they are food and then they **f can't / couldn't** get rid of them.

Charles Moore, an American oceanographer, **g believes / is believing** there are now 100 million tonnes of plastic waste in the Pacific Ocean. Mr. Moore **h used to be / has been** a sailor and in 1997, while he **i sailed / was sailing** from Los Angeles to Hawaii in a yacht race, he found himself in a huge area of garbage. 'I **was moving / have moved** through garbage for a week,' he said. **k Since / For** that time, he has become an environmental activist.

The problem is that modern plastics **l are / were** not biodegradable. Plastic that got into the ocean 50 years ago **m still / yet** has not degraded.

The problem in the Mediterranean is very serious, too. In a recent study of dead loggerhead turtles off the coast of Spain, 75% of them **n had swallowed / were swallowing** plastic bags. Why? Plastic bags **o are looking / look** like jellyfish, the favorite food of these endangered animals.

So what plastic things **p do people throw / throw people** away? Plastic bags, bottles, containers, golf balls, plates, knives, forks, toothbrushes, helmets, beach toys, syringes and fishing lines is the short answer. And who **q does throw / throws** all this stuff away? We **r don't have / didn't have** any names. But please make sure it's not you.

Complete with Simple Past or Present Perfect :

I have been (be) to the theatre only three or four times in my life. I last went (go) to the theatre in 2005. I saw (see) the Shakespeare play Hamlet.
