# READING

Yesterday I was playing video games in my room when I heard people screaming. I went out and saw that my neighbors' house was on fire!

In less than 10 minutes the firefighters arrived and tried to put out the fire for one hour until they made it. Wow! They are really brave! One of them entered the house and saved the Johnsons' dog that was trapped in the fire,

I made a decision! I want to be a firefighter when I grow up. I can be strong and brave enough to fight against the fire, to save people's lives and property. I can't wait! I can already see it in the newspaper: "brave firefighter rescues a family of four." I really want to make my mother feel proud of me.
