### Read the following text and answer the questions.

Dear Kim,

Greetings from Greece! We are on a holiday in Santorini. We come here every year because it is an amazing place, The food is delicious. Our hotel is near the sea, so I wake up early and go to the beach in the afternoons. Guess what?, I am writing this postcard on the beach but I'm also drinking a lemonade right now. My brother is playing with some friends and my father is swimming in the ocean.

My mom is not here. She is shopping with my sister. They like to go shopping together. Every time they go shopping, they buy things for us, too. She knows what I like, so I don't care if they go without me.

It is a beautiful day. Today is Monday but it doesn't seem like it. Greece is wonderful! People here are friendly and kind. I'm excited because we are going to Athens tomorrow. What are you doing these days? I wish you were here. See you soon.
