# READING

John Lennon was born in 1940 in Liverpool, England, where he grew up. As a teenager he met Paul McCartney and they began to write songs together. After several years, they formed a new group called The Beatles, with George Harrison and Peter Best. However, Best didn't stay in the group. Ringo Starr joined the group preformed. Their first hit song was "Love Me Do".

Between the years 1962 and 1968, The Beatles was the most famous group in the world. In 1969, Lennon decided to perform alone. He wrote the song "Give Peace a Chance" and made several albums alone. He also acted in films.

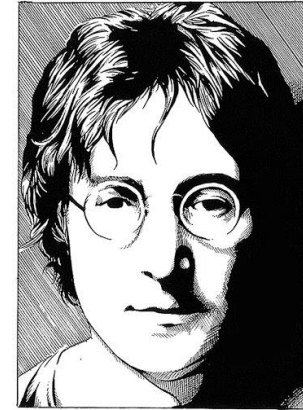

From that time on, he had many problems.

Finally, in 1981, Mark David Chapman killed Lennon.
