MOUNT EVEREST

Questions

Most people know that Mount Everest is the highest mountain in the world. But, there is another fact that many people don't know. It is one of the dirtiest mountains in the world.

Mount Everest is one of the most exciting mountains to climb on Earth. It is also one of the most attractive mountains for serious climbers.

Trash is now one of the biggest threats to the environment on Mount Everest. One of the most popular local organization tried to clean the trash.

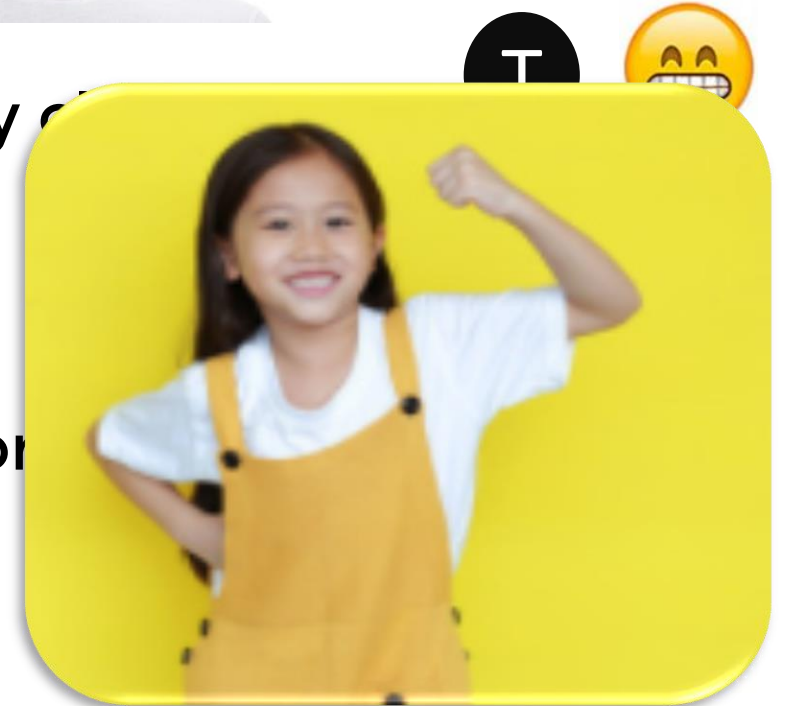

Believe it or not, these people used the trash to create works of art. Then, they sold the works of art to raise money for local charities. The cheapest work of art cost \$17, and the most expensive one cost \$2400.

Select T (true) or F (false).

1. According to the reading, Mount Everest is very dangerous.
2. Climbing Mount Everest is very difficult.
3. Mount Everest isn't a popular mountain for climbers.
4. On Mount Everest, there isn't a lot of trash.
5. People created works of art from the trash on Everest.
