- 8 It seems that every week a dangerous new _____
is spread over the internet.

Challenge!

What was the last electronic item you bought? Are you happy with it?
Tell a partner.

Communication activities

Unit 12 – Student A

1 Interview your classmates. Write notes.

Cell phone survey

What brand of cell phone do you have?

How long have you had it?

Why did you choose that particular cell phone?

Have you used it yet today?

What do you use it for most?

Are there any functions you haven't used yet?

How much do you pay each month?

Have you ever lost your cell phone?

Name

Notes

A: *What brand of cell phone do you have?*

B: *It's a Samsung.*

A: *How long have you had it?*

B: *I've had it for six months.*

2

Share your results with Student B.

 Luis has a Samsung phone. He's had it for six months.

- 5 She buys old cell phones for around \$ _____.
- 6 She's just sent _____ phones to Nigeria.

Speaking

1 Interview your classmates and write notes. Ask questions for more information.

Are you connected?		
Find someone who ...	Name	Notes
<ul style="list-style-type: none">• has just bought a new smartphone.• hasn't accessed their data on a cloud.• has reviewed a product online.• hasn't uploaded a video to the internet.• has had a 3-D TV for more than a year.• has had a computer problem since last week.• has watched TV on a tablet.• has played a computer game this week.• has never downloaded an app on their smartphone.• has used their phone to make a purchase.• has downloaded a new ringtone recently.• has recently joined a social network site		

2 Make a group and share your results.

Lee has had a 3-D TV for around two months. He says it makes special effects in movies look very realistic.
