➤ Read and then answer the questions.

Lorna Wetss is from Coventry, England. She goes to the Heart of England school. She's a typical fifteen year old girl. She likes the TV show FRIENDS, she loves spending money, and she adores shopping. In her bedroom, there are posters of Jennifer Aniston.

Lorna admires her: "People say I look a bit like her". But lorna's real passion is performing on stage. At the moment, she's living in London, and she isn't in school. Why? Because she's playing Juliet in a rock-opera version of ROMEO AND JULIET at the Piccadilly Theatre.

Romeo and Juliet is set in Verona like the original Shakespeare play. It's the hottest ticket in town. So the theater is full every night. The reason is very simple: people come out of the theater and say "you have to see it".

Lorna isn't alone in London. "My mom, Christine, is here," She says. "so is my brother, James unfortunately, my dad, Tony isn't here. He's at home, but we see him on weekends."
