**Before you watch, read the summary of the interview with Ryan.**

I live in an apartment. There are two bedrooms, a living room, a kitchen, and a bathroom. There isn't a balcony. It's not really a big apartment, but the living room is big. There are two small sofas, and a coffee table, two bookcases, and a large TV. My favorite room is the kitchen. I like to cook! There isn't a dining room so I eat in the living room, with my wife Madison.
