## Exercise #7

My best friend is Flavio. He's 20 years old. He's tall and thin, and he has black hair and brown eyes. I think we look very similar, but my hair is short. He's very kind and generous with people. He isn't like me because he's outgoing and I'm shy. Also, he's lazy but I'm hardworking! We're really good friends. We see each other almost every day because we study at the same college. He studies languages and I study arts. Our classes are in the same building so we meet on campus.

Next Friday we're going to a soccer game together and in the afternoon we're going to a movie theater to see the new James Bond movie and then we're eating in the new chinese restaurant close to my house. I'm really looking forward to it!
