Hi! I'm Monica and I'm 19 years old. I live in the capital of England, London and I love this town. There are many places to visit, so I never get bored. I love listening to music, so I often attend concerts and go to places with live music. Next to my house there is a movie theater, which I visit on Saturday evenings every weekend with my friends. The bus station and the train station are also around, so I can easily commute to school. In Warsaw there are lots of restaurants and coffee shops, so you'll never be hungry here. I really like shopping, so I often buy clothes at very big shopping malls.

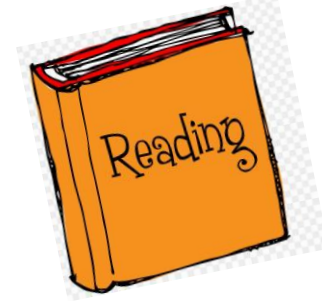

Living in a big city also has things you don't like. Everywhere is full of people, especially in a subway. There is a lot of traffic and the air is very polluted because of the cars.

There are also a lot of attractions for tourists, for example: the Tower Bridge, the Big Ben and the Madame Tussauds museum with wax figures of famous people.

I encourage you to visit London, so you can fall in love with this town, too!
