### READING AND COMPREHENSION

Read the letter and answer  
the questions.

Dear Patrick,

Hi. How are you? What's the university like? Are you enjoying student life in Florida?

I'm writing to tell you about some things I hope to do after I graduated. I want to improve my English, so I'm going to spend a few months in Australia. I would also like to learn how to surf. I'm going to find a part time job there because I need some money for travelling. I'm going to travel around for six months to New Zealand and other places, and then I'm going to find a great job.

I don't want to be an office assistant. I'm going to find a job in a big bank in Shanghai. I know living in Shanghai is really expensive, so I'm going to share an apartment with my friend Li. It's an amazing city and I always wanted to work there.

Anyway, that's all about me. How about you? When are you going to get married to your beautiful girlfriend Lee?

Best wishes,  
Lyli
