MY DAILY ROUTINE

My name's Julia, and I am 27 years old. I live in London but I'm German. I live with my boyfriend and we are very happy. I work in a bank. From Monday to Friday, my day starts very early. I always get up at 6:30 and I have a 20-minute shower. Then, I get dressed and comb my hair. At 07:00 a.m. I have breakfast. I usually have coffee and cereal. After that, I put on my make up and go to work. At 10:00 a.m., I sometimes have a snack. At 12:00 p.m., I usually have lunch at the office with my colleagues. They are wonderful people who have a good sense of humor, and they are good friends, too. At 3:30 p.m. I have a snack again, I usually have some tea and biscuits. On Monday, Tuesday and Wednesday I go to the gym after work. When I get home, I have a shower again, prepare dinner and watch TV for a while. I like to go to bed as soon as possible, around 9:30 p.m. Thursday is different because I don't go to the gym. I go out with my boyfriend every Thursday night. We sometimes go to the cinema or we go out for dinner and to have a drink. My boyfriend's name is Daniel, he is 31 years old, and he's an architect. He likes cooking but he doesn't like cleaning the house so we share the housework.
