Questions

STAY SAFE AND HEALTHY

Right now, we are experiencing a health emergency all around the world. The Coronavirus (COVID-19) is changing the way we do everything right now. There are currently some vaccines to prevent COVID-19, but we all know that we shouldn't expose ourselves to this virus.

So, here are some tips to stay safe and healthy. You should wash your hands. You should stay home. You should clean surfaces like door handles and faucets. But you shouldn't go to busy, crowded places. You shouldn't touch your eyes, nose or mouth. You should wear a mask if you go out, but you shouldn't take public transportation if possible. You should do something everyday to relax because some places like cinemas are closed.

If I were you, I would follow these tips and we would be fine when this crisis is over. We're in this together!

Select T (true) or F (false).

- 1. There are vaccines to prevent COVID-19.**
- 2. You shouldn't expose yourself to this virus if you want to get infected.**
- 3. People should only wash their hands to be protected.**
- 4. People should use public transportation to prevent from Coronavirus.**
- 5. We should follow some healthy steps to stay safe.**

VERY GOOD!
