Read carefully for important facts, e.g.: locations, times, numbers.

**1****39****Read Simon's letter to Karim. Put a cross (X) on the map to show the location of Simon's house.**

Dear Karim,

Please come to my birthday party next Saturday. Here are directions to my home.

You can take a number 3 bus to City Plaza Mall. In front of the mall there's a Chinese restaurant called the Lucky Star. Go along George Street and go past the restaurant. Turn right onto First Avenue. Go straight ahead and turn left onto Park Road (there's a newsstand on the corner). Go past a bookstore on the right and then turn left.

Go along the street and there's a coffee shop on the right. Across from the coffee shop you can see a small street. It's between a shoe store and a drugstore. My place is down that street, on the right. It's number 12, just past the shoe store. The party starts at seven o'clock.

Good luck!

Simon

P.S. My cell phone number is 993-724-8456.

# Writing

**1**

**Think of a place you know well (for example, your favorite restaurant, movie theater, department store ...). Write a note to a friend giving directions. Look at the Study guide to help you.**

*Dear Kumiko,*

*I know a great restaurant downtown. Let's meet there at seven o'clock on Friday night. It's easy to find. From the movie theater on the corner of North Park Road, turn left and ...*

## Writing a note giving directions

1 Greetings.

*Dear ...*

2 Say where you want to meet.

*Let's meet at ...*

3 Give directions.

*From the station, go down,  
go past, turn left, on the right,  
next to, across from ...*

4 Finish your letter.

*See you there.*
